EVOCATION

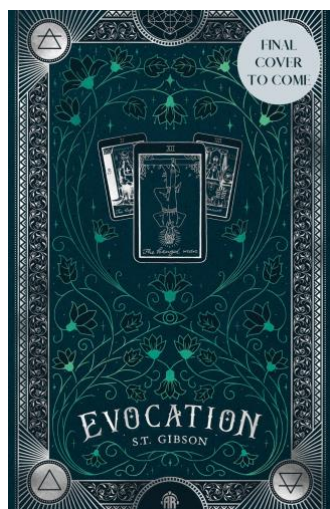

From the *Sunday Times* bestselling author of *A Dowry of Blood*
S.T. Gibson

Secret societies, lust and lies.

Welcome to The Summoner's Circle, your brand-new fantasy addiction.

When a family curse threatens the life of David, a medium, he will turn to the only person he's ever trusted, his sorcerer ex-boyfriend, Rhys—which means he will have to open his heart to Moira, Rhys's astrologer wife.

Meet **David, Rhys, Moira**, and **Leda** for the first time as they navigate magic-riddled Boston through hierarchical secret societies, familial bonds from beyond the grave, and much more in this gorgeous, richly imagined novel.

The day David Aristarkhov's occultist father died, he bought himself an Audi, drank every drop of liquor in the house, and abandoned his life as a teen psychic prodigy. Now pushing thirty, David is a Boston attorney, moonlighting as a medium for a secret society.

But when the Devil comes to collect on a deal David's ancestor made, he reluctantly reaches out to his ex-boyfriend Rhys for help. However, to get to Rhys, David will have to befriend Moira, Rhys's wife. The trio gets a little too close for comfort as they combine their powers to unravel the century-old curse, and if they don't break it by David's thirtieth birthday, he won't live long enough for everyone to figure out their feelings for each other.

S.T. Gibson is the *Sunday Times* bestselling author of *A Dowry of Blood*, as well as a literary agent. A graduate of the creative writing program at the University of North Carolina at Asheville and the theological studies program at Princeton Seminary, she currently lives in Boston with her partner, spoiled Persian cat, and vintage blazer collection. She is available for all media.
