THROW ME TO THE WOLVES

A Cry Wolf novel, book 1

By Lindy Ryan and Christopher Brooks

Southern gothic meets urban fantasy meets supernatural horror, *Throw Me to the Wolves* is a series debut as much about surviving the monsters within as it is conquering those without.

Ten years ago a witch murdered Britta Orchid's family and turned her into a werewolf. Now the witch has been killed, and rookie cop Aaron Labaye has dragged Britta back to southwestern Louisiana to help him solve the murder.

The bloodthirsty ghost of her brother, a jealous member from her pack, and a former friend with a serious prejudice against wolves all stand to stop Britta as she fights to finally get the truth about that night ten years ago.

As an unseen hand sets events in motion, Britta helps Labaye dig into the murders old and new. But, as she looks harder than ever into her own dark past, Britta will confront more than just her own demons as she fights for peace for herself and for her family. She can't hide anymore when the past comes back to haunt her, but must instead find her place in a world she's avoided—and discover what it truly means to be a wolf.

Some evil wants to live forever.
